VETERANS!

Plan now to attend the 3rd biennial VFMA Retreat to be held April 23—25, 2008 at the beautiful Trout Lodge in Potosi, Missouri.

Remember, we have added a night and a day to the schedule and have changed the location!

For three nights and two full days dozens of Veteran Missionaries will share stories, laughter and activities in a beautiful setting. All this at no cost to the Veterans!

Free activities include biking, hiking, paddle boats, canoes, horseshoes, archery, trout fishing, miniature golf and much more.

Activities available at an extra cost are golf, arts and crafts and horse back riding.

We will be doing a lot of filming in preparation for the production of a DVD presentation featuring the Veterans of Foreign Missions.

You must commit by February 29, 2008 to reserve your room. After that date it will be on a space available basis only.

Send your reservation to Rev. Dorsey Burk 8855 Dunn Road Hazelwood, MO 63042 or email dburk@upci.org.
