

Recipes from Around the World

BON APPÉTIT! Savories from Home and Abroad is a collection of over 700 recipes from 113 contributors that include missionaries, retired missionaries, Foreign Missions Board wives, and FMD office staff. You will find everything from the exotic Oorumus Rathu (Pork Red) Curry from the Mathiaszes in Sri Lanka to the hearty Canyon Stew from Mary Smith in South Africa. Desserts vary from the ultra sweet Nanaimo Bars from Kathy Shalm, Asia, to English Sponge Cake from Marilyn Miller, retired missionary. We offer you Sante Fe Soup from Carol Johns, FMD wife, to Tortilla Rollups from Janice Leaman, FMD secretary. Some recipes have fond memories related to them while others have personal notes that will give you a chuckle. Some recipes are fast and easy; some will teach you new cooking tricks. In any event, I assure you that each recipe will tickle your taste buds.
